## Called to order:

The meeting called to order at 10:12 am.

## Identify, Discuss, and Prioritize Resources

The District needs to work with the cooperators and agencies to develop a Resource Management Plan to define and prioritize the projects that will be addressed over the next 2-3 years. Three districts (Winkelman, Redington, & Pima) will be working with the Agencies to plan and manage 2-3 million dollars that will become available in about 2 years for a 3 year period. The attendees were divided into 4 geographical areas to identify/prioritize resource concerns. See the attached meeting notes for more details on the resource concerns.

## Adjourn:

The meeting was adjourned at 12:13
