Hi Chris,

I am not certain whom this came from but I won't be able to make the meeting as I am heading down to the Elkhorn Ranch near Tucson. I also wanted to let you know I have had feedback on the annual report and plan of work reports. These have been modified and while they somewhat resemble what was previously created I think I have made them leaner and more clear. In addition, I have met with multiple ed center directors and the 3 page cover page submitted by the ed centers will be much simpler. What won't change much is the budget request format (3 forms). I will see if I can move it to Sales force to get away from the pdf files. Sorry to miss the meeting.
Best,

Jackie
