### Full Response

Response

**Pursuant to ARS §37-1014.B, the Natural Resource Center District is required to submit a Plan of Work by June 20th of each year. The plan of work will consist of the District or Education Center's anticipated project(s) for the upcoming fiscal year (June 20, 2020 – June 30, 2021).**

1. The Arizona State Land Department (ASLD) will only accept the submission of this Annual Plan of Work. No paper copies or emailed copies will be accepted.
2. Please note, this Annual Plan of Work is considered a public document and is subjected to FOIA (Freedom of Information Act).
3. The Annual Plan of Work is not a specific request to the legislature for funding nor is it an ASLD approval of projects/programs.
4. Please be advised that in order to properly evaluate the Plan of Work you may be required to submit additional information.

Contact the NRCD Manager at [nrcd@azland.gov](mailto:nrcd@azland.gov) for questions or please refer to the [Frequently Asked Questions guide](#)

**- I have read and understand the instructions for this plan of work.**

Natural resource projects are those intended to address specific, identified natural resource concerns in the district area.

This includes cost-share, grant funded, or/and collaborative programs.

District programs are those supporting basic district operations, education and outreach with landowners, engagement with other processes and entities to advance the work of the district, etc.

This includes cost-share, grant funded, or/and collaborative programs.

You can add as many projects or programs as you like by clicking *Add additional project/program* at the bottom.

**Note:** These projects or programs can address the priorities listed above.

What type is this?

**District program**

Title for this project or program:

**Clean/Seal Dirt Tanks**

Describe in two to three sentences, the goals for this project/program area:

**The WNRCD stock tank cleaning and sealing program will provide cleaning, maintenance, and sealing of dirt stock tanks which are a primary source of water for cattle & wildlife. The Winkelman Natural Resource Conservation District (WNRCD) is largely void of wildlife water developments in the bottom of the Lower San Pedro River watershe**

*i.e. Project: Reduce soil loss and improve water quality in the Little Colorado River watershed by November 2020*

*i.e. Program: Facilitate a workshop on range land improvements.*

Describe the project/program specific measurable objectives:

**Clean/seal 4 dirt tanks**

*i.e. Project: Restore 11 acres in the Little Colorado River watershed by November 2020.*

*i.e. Program: Facilitate a total of 3 workshops in the District by November 2020.*

Does the district have a plan for the implementation of the project/program?

**No**
